

Come Build a Career At SHEPP
Applications Analyst
(Temporary Full-Time Position – 12 Month Term)

Established in 1962, SHEPP is a multi-employer, defined benefit pension plan which serves the healthcare industry in Saskatchewan. With over 61,000 members and over \$9 billion in assets, SHEPP is the largest defined benefit pension plan in the province. We strive to deliver professional pension administration services through a team of passionate, qualified and dedicated individuals. We believe in the organisation's culture and positively impact it every day. We are committed to serving the best interests of our members by delivering a consistent experience to all stakeholders, that is guided by our service standards. We provide our employees a valuable work experience, a competitive compensation package and the opportunity to integrate work and life in a healthy and effective way.

As a member of the Information Technology team, the Applications Analyst is accountable for developing, implementing, documenting, operating, evaluating and maintaining all system applications for the effective update, reconciliation and audit of Plan member records to achieve and maintain the highest degree of member record data integrity.

Qualified candidates will possess a post-secondary degree or diploma in Computer Science, Software Systems Engineering, Computer Systems Technology or related field, supplemented by two or more years of experience writing queries and reports using SQL and developing applications with Java and/or other object-oriented languages in an Oracle environment. A combination of equivalent education, training and experience will be considered.

To succeed in this position, you will have strong mathematical skills and information technology knowledge and skills. You will also be proficient in English with excellent verbal and written communication skills.

Salary Range: \$65,758 – \$82,197 (based on qualifications and skills)

Please submit your cover letter & resume no later than Monday, July 4, 2022 to:
