***BC's Pension System Review Consultation:  
What Action Should the Government take to Increase  
Pension Coverage***

**Wednesday, April 14th ▪ 7:30 am – 10 am**

**Firefighters Banquet and Conference Centre  
In the Metrotown Complex,  
6515 Bonsor Street  
Burnaby, BC**

In a recent consultation paper, the BC Government asked for comments on how to improve the effectiveness and adequacy of the retirement income system for future Canadian retirees. The paper outlined four approaches to consider including:

- Expansion of the existing CPP;
- Creation of a voluntary defined contribution supplement to the CPP;
- Modernization of pension standards to improve flexibility in pension plan design; and
- Tax reform – changes to Income Tax Act (Canada).

There is a wide range of opinions on how best to improve the system and we have brought together three experts who have different ideas on the best course of action. Plan to join us for breakfast to hear from three panellists presenting their views followed by a moderated discussion.
