WHY JOIN ACPM?

“ I have been a member of ACPM for over 15 years. In my position representing a plan sponsor, ACPM has given me important contacts in the pension investing, consulting and services industry as well as a window into how important issues are evolving across pension jurisdictions in Canada and even elsewhere in the world. ”

ELEANOR MARSHALL

Vice-President, Pension & Benefits,
Bell Canada, New Brunswick

“ I am a pension consulting actuary and I discovered ACPM by the quality of its regional activities. I was invited to join the Quebec Regional Council in 2013 and the experience became even more rewarding. It is a privilege to discuss the issues of the retirement community with plan sponsors and various consultants (lawyers, investment managers, actuaries). ”

RICHARD BOURGET

Senior Partner, Pension and Savings,
Normandin Beaudry, Québec

“ As a member of ACPM I enjoy the benefits of the collective knowledge of its membership. ACPM also brings leading retirement income industry professionals together across the country to lead advocacy and generate thought leadership which is greatly beneficial to the industry. I am proud to be a member of an organization that is integral in addressing the key issue of retirement income in our society. ”

RYAN SILVA

Director, Head of Pension and Insurance,
Global Client Coverage,
RBC Investor & Treasury Services, Ontario

“ Ensuring that our plan continues to be a leader in the Canadian defined contribution pension space requires that I have access to timely and relevant pension related information, the ability to interact with pension experts and practitioners from across Canada, and an effective way to ensure our members' interests and concerns are heard by legislators and other industry stakeholders. My membership in ACPM provides all of these things and provides a discount on ACPM's "must attend" national conference. From my perspective, the membership fee is definitely money well spent. ”

MARTIN McINNIS

Executive Director, CSS Pension Plan, Saskatchewan

“ I have been active in ACPM for 20 years, from the Regional Council level to National Committees to the Board. Two things have kept me coming back: (1) the opportunity to learn and participate in shaping ACPM's advocacy positions on critical issues facing Canada's retirement income system, and (2) the thought-leadership of ACPM's highly engaged network of volunteers from across Canada. I encourage anyone with "the passion for pensions" to become a member and get involved. You will not be sorry that you did. ”

CHRISTOPHER BROWN

CEO, LAPP Corporation, Alberta

“ To provide value to stakeholders of my plan, I need to be current with the issues impacting the retirement landscape in British Columbia and across Canada. I have found that ACPM provides a valuable forum for discussion of these issues. ”

DERRICK JOHNSTONE

CEO, IWA-Forest Industry Pension Plan, British Columbia
