VISION, MISSION AND GUIDING POLICY PRINCIPLES

VISION

The leading advocate for plan sponsors and administrators in the pursuit of a balanced, effective and sustainable retirement income system in Canada.

MISSION

ACPM enlists the talent and resources of its national volunteer member base to provide thought leadership on behalf of Canadian plan sponsors, administrators and their service providers, in retirement income system policy and advocacy.

GUIDING POLICY PRINCIPLES

ACPM believes in the following principles as the basis for its policy development in support of an effective and sustainable Canadian retirement income system:

Diversification through Voluntary / Mandatory and Public / Private Options

Canada's retirement income system should be comprised of an appropriate mix of voluntary workplace and individual savings arrangements ("Third Pillar") and mandatory public programs ("First and Second Pillar").

Empowering Choice in Coverage

Third Pillar arrangements should be encouraged and play a meaningful, ongoing role in Canada's retirement income system.

Adequacy, Security and Affordability

The components of Canada's retirement income system should ensure a healthy balance between these three objectives to enable Canadians to receive adequate and secure retirement incomes at a reasonable cost for members and employers.

Innovation in Plan Design

Canada's retirement income system should encourage and permit innovation in plan design in all three Pillars.

Adaptability

Canada's retirement income system should be able to adapt to changing circumstances without the need for comprehensive legislative change.

Harmonization

Canada's pension legislation should always strive for better harmonization.

Clarity and Transparency

Legislation, regulations and retirement income arrangements should be clearly defined and pension plan beneficiaries should be appropriately informed of risks, costs and benefits.

Good Governance

Excellence in governance and administration in the retirement income system.

VALUES

VALUES

Accountability and clarity of purpose so that everyone involved with ACPM knows what is expected of them and others.

MESSAGE FROM THE CHAIR

SUSAN NICKERSON

Chair, ACPM Board of Directors

ACPM has continued to demonstrate leadership in its commitment to improve the Canadian retirement income system. With the impact of COVID-19 on retirement plan sponsors and administrators in 2020, ACPM's advocacy efforts on behalf of our members have been even more important and urgent. We continue to work with our members to ensure that we are addressing their needs for extra support from retirement policy makers and regulators.

THE LEADING
ADVOCATE FOR
THE CANADIAN
RETIREMENT INDUSTRY

I would like to recognize the outstanding contributions of our National Policy Committee (NPC) guided by Todd Saulnier (Mercer) as NPC Chair. Under Todd's leadership, the NPC has worked extremely hard over the past year both in responding to government and regulatory consultations (both formal and informal) as well as developing advocacy position papers on needed tax reforms and financial literacy. Here is a brief list of key topics that were addressed in our 2019 submissions:

FEDERAL

- » New proposed section 17.1 of the *Pension Benefits Standards Act, 1985* (the "PBSA"), contained in Bill C-97
- » Proposed changes to Instruction Guide – "Authorization of Amendments Reducing Benefits in Defined Benefit Pension Plans"
- » Draft Income Tax Legislative Proposals regarding Advanced Life Deferred Annuities (ALDAs) and Variable Payment Life Annuities (VPLAs)

ONTARIO

- » New Funding Rules for Defined Benefit Pension Plans: PfAD Calculations
- » Draft Regulations related to Variable Benefits and Consequential Amendments to Family Law & PBA Reg. 909
- » Electronic Communications

BRITISH COLUMBIA

- » Pension Fees
- » A Review of the BC Solvency Funding Framework

QUÉBEC

- » Commentaires sur le projet de règlement sur la Loi RCR (Regulation respecting supplemental pension plans)

NOVA SCOTIA

- » Funding Framework for Nova Scotia Pension Plans

CAPSA

- » Funding of Plans other than DC Plans

In December 2019, we appointed Stephanie Kalinowski (Hicks Morley LLP) as the Vice-Chair of the NPC. She is scheduled to take the reins from Todd in January 2021 as Chair and will lead ACPM's advocacy initiatives for the next two years.

As a volunteer and member-driven organization, it is essential that the hard work and dedication of our many volunteer members be appreciated and recognized. I would like to thank all ACPM volunteers for their dedicated efforts that ensure the success of our advocacy efforts as well as our events, seminars and programs. This dedication was on full display at the 2019 ACPM National Conference in Vancouver, which featured an excellent mix of industry knowledge and networking in a beautiful city. We look forward to being able to see you all again in person at the next National Conference in St. John's, Newfoundland, expected to be held in September 2022. Unfortunately, due to the COVID-19 pandemic, both our 2020 and 2021 in-person National Conferences have been postponed. However, we will continue to engage with our members and volunteers through our online program offerings.

I want to acknowledge our Executive Members who represent the highest level of ACPM membership and commitment. I am so pleased to welcome two new ACPM Executive Members: Healthcare of Ontario Pension Plan (HOOPP) and CWB Trust Services. It is the support of our Executive Members as well as our entire membership that enables us to continue our advocacy activities. Our members' input and expertise provide the valuable insights that assist in guiding government officials as they strive to balance various stakeholder interests in retirement policy and legislation.

The outbreak of the COVID-19 pandemic in 2020, the associated lockdowns and the related economic downturn will continue to impact retirement plans and their administrators and sponsors. The resilience of the Canadian retirement income system will continue to be stress tested. ACPM's advocacy work on behalf of members to support and improve the system has never been more important.

Sincerely,

Susan Nickerson

ADVOCACY

Since its inception in 1976, ACPM has become Canada's leading voice for the retirement income industry. With the help of committed volunteers with a range of expertise, we assess and comment on legislation and regulations related to retirement income issues at the federal and provincial levels.

In conjunction with the ACPM National Policy Committee, submissions are prepared and presented to governments, agencies, working commissions or panels. In addition, ACPM crafts position papers on specific subjects of interest, which are then released to the retirement income industry, governments and the general public.

We work to develop strong and mutually productive relationships with governments and their respective regulators at the federal and provincial levels. It is through these strong relationships that we can effectively bring about positive change on behalf of our members and the retirement income industry in pursuit of an equitable and sustainable retirement income system.

REPORT OF THE AUDIT AND FINANCE COMMITTEE

FOR THE YEAR ENDING JANUARY 31, 2020

Financial highlights include the following:

1. Net Assets at January 31, 2020, were \$1,108,975 compared to \$880,993 at the same time the previous year.
2. The Association recorded an operating surplus of \$225,992.
3. Revenues came in at \$1,485,201 compared to \$1,396,846 the previous year. This increase was due to memberships and the National Conference.
4. Expenses totalled \$1,259,209 as compared to \$1,124,138 the previous year.
5. At year-end, ACPM had \$941,892 (including interest) in investments. This meets with ACPM Reserve policy, which ensures that sufficient funds are set aside to allow for fluctuations in revenues, expenditures and unforeseen contingencies.

Providing adequate resources to support the ongoing cost of ACPM operations is critical for ACPM to serve its members and advocate for an effective and sustainable Canadian retirement income system.

NOTE: After April 6, 2020, ACPM's audited 2019/20 financial statements will be available in the "Members Only" section of the ACPM website (www.acpm.com).

VOLUNTEER RECOGNITION AWARDS

Without the dedication and commitment of our volunteers, ACPM would not have become the leading advocacy organization for the retirement income industry in Canada.

Since 2009, these outstanding individual volunteers, who have contributed significantly and consistently to ACPM, have been acknowledged with one of these three awards:

» **THE DON IRELAND FOR EXCEPTIONAL VOLUNTEERISM AWARD** —

Recognizes the exceptional effort and achievements of an individual over a significant period of time on behalf of ACPM.

» **THE ACPM INDUSTRY AWARD** —

Recognizes the efforts and achievements of an individual who has proven to be an inspiration for fundamental change in the Canadian retirement income industry.

» **THE ACPM COUNCIL AWARD** —

Recognizes the efforts of an individual who has significantly contributed to the work, growth and development of their Council.
