

**Client Service Advisor (Certified Financial Planner – CFP®) (2)**  
**Advisory Services - Client Services**  
**Permanent Full-time (Hybrid)**

The Ontario Pension Board (OPB) administers the Public Service Pension Plan (the PSPP), a major defined benefit pension plan sponsored by the Government of Ontario. With 100,000 members and \$31 billion in assets, the PSPP is one of Canada's largest pension plans.

It is also one of the country's oldest, successfully delivering the pension promise since the early 1920s. [Learn more about OPB.](#)

Are you a Certified Financial Planner (CFP®) with an absolute passion for delivering exceptional client service and retirement planning solutions? The Ontario Pension Board has an excellent opportunity for two CFP professionals with enthusiasm for client engagement and advancing financial literacy.

As a Client Service Advisor, you will deliver a range of advisory services and empower clients in making informed financial decisions as they navigate options related to their pension and plan for retirement.

Reporting to the Manager, Client Services, the Client Service Advisor delivers subject matter expertise across OPB and champions the advancement of broader Client Services goals, initiatives and objectives.

**Key Responsibilities:**

- Leading client meetings through delivering personalized consultation, unbiased guidance and expert advice to clients as they exercise their options and entitlements under the Public Service Pension Plan (PSPP).
- Conducting a full analysis of a client's circumstances, history, current financial information, future needs, and Plan provisions, to recommend client-centric solutions, identifying financial implications and possible risks with each option.
- Managing escalated client requests to identify potential issues, trends, risks and opportunities, as well as recommend and implement solutions to continually enhance overall service delivery.
- Contributing financial expertise on various initiatives, including the development of tools, resources, processes, and technologies to continually enhance client experiences and advisory services.
- Participating in workshops and presentations (in-house and off-site) by providing expertise and advice on emerging issues, pension legislation reform, and industry changes.
- Occasional travel across Ontario is required for this position, as feasible.

**Key Qualifications:**

- **Holding the Certified Financial Planner (CFP®) designation in good standing is a job requirement.**
- Experience developing customized financial plans with an excellent understanding of retirement planning along with comprehensive knowledge of financial planning concepts including pension plans (preferably defined benefit), estate planning, taxation and other products.

- Superior relationship management and interpersonal skills to effectively engage with clients, identify their needs and deepen trust while providing customized and consultative support.
- Excellent written and verbal communication skills with the ability to explain technical information to a wide variety of clients and effectively resolve difficult situations with tact and diplomacy.
- Demonstrated organizational and time management skills and proactivity to support effective planning and delivery on client commitments, while balancing sustained progress towards the achievement of broader team and strategic goals.
- Well-developed analytical skills to interpret and identify trends, issues, and emerging client requirements and effectively identify and mitigate risk.
- Strong desire to continually learn and contribute to a culture of teamwork, collaboration and development.
